### Evergreen News Letter

Rev. Collins Has  
Fine Record

Evergreen, Nov. 26. After a full week of delayed Indian summer, this morning the weather is very much colder, with a cold rain beginning to fall.

A large congregation was present at the Evergreen Baptist church Sunday morning, and heard Rev. Collins preach (seemingly) his best sermon. Rev. Collins has established an enviable record in the Appomattox Association of Baptist churches. When he assumed charge of the Evergreen group of churches in June 1939, the attendance at some of the churches was a very low ebb; and now, less than 18 months after assuming charge of the field, and while still attending classes at Lynchburg College, there has been an addition of 91 new members added to the four churches during this time and a corresponding increase in attendance of the Sunday Schools and the B. T. U.

There is also a mid week prayer service at the churches. Also worthy of note is the fact that on last Sunday morning there was a 100 per cent attendance at the Evergreen Baptist Sunday School, 113 on the roll, 118 present! There were also a number of visitors present at Sunday School, among the

Mr. Harper Fled  
France Ahead Of  
German Invasion

A native of Atlanta, Ga., Mr. Harper has been a resident of New York City the past 40 years, having established an international law practice and spending most of his time in Paris, France, where he married and raised a family of children, though maintaining his American citizenship. Mr. Harper showed the writer a picture of his palatial residence situated home 40 miles north of Paris, France. He said his intention was to stay on through the German occupation, and had sent his children away, but he could not persuade his wife to leave him, and so, just before the Germans occupied Paris, he was compelled to leave at 4 o'clock in the morning, leaving behind all his possessions, saving only what he could take in his automobile. The Germans are now occupying his residence, and until England, with the assistance of America, succeeds in driving the Germans from North of France, he will nearly realize his dream of returning to his French home.

### Mass Funeral for Coventry Victims

Radio photo showing scene during the funeral of 172 of some 200 persons killed in the all-night air raid on Coventry, England. The victims were buried three deep in a common trench-like grave, while anti-aircraft guns fired at a lone German raider overhead. Bombers are seen flying past the coffin, which were flag-draped.

Evergreen, Nov. 26. The Bethany home demonstration club met with Mrs. Phil Paulette Monday, November 18. Mrs. Phil Paulette and Mrs. Phil Paulette gave a very nice demonstration on breadmaking.

The club as a whole voted to meet at Mrs. Larkin Harvey's Thursday night and quilt four quilts for one of the members whose furnishings were destroyed by fire.

After each member sampled and approved one of the finished quilts, the meeting adjourned to meet the second Monday in December.

Mrs. Curtis Paul, At this time a Christmas program will be in order, grab bag included. All the members are requested to bring something to put in the bag and to come prepared to grab!

### Way "Build-up" Helps

Will Interest Women

The cause of a woman's periodic suffering from headache, irritability, cramp-like pain, may be functional dysmenorrhea due to malnutrition, a condition that is often helped by CARDUI.

Principal way CARDUI helps is by stimulating appetite and the flow of gastric juices. Thus it may aid digestion; help build up a woman's strength, energy and nerve-force; so increase physical resistance to periodic discomfort.

It also helps reduce periodic distress for many who take it a few days before and during the time. Your confidence in CARDUI is invited by its 50 years of popularity.
